

SatNav launches freebies for CWG 2010

25th May 2010, Hyderabad, India – SatNav Technologies, pioneers in GPS Navigation in India since 2005 and market leaders today, announced that they are offering three **FREEBIES for the benefit of visitors, delegates and officials for the Commonwealth games 2010**. Nokia users can download Symbian platform SatGuide Software from www.satguide.in free of cost and use the Delhi2010 Map to reach Commonwealth game venues, all of which have been mapped out in a special map release done only for CWG2010. The Delhi Navigation Nokia smart phone free map covers category venues of competition, non-competition, training avenues, accommodation etc. Secondly, a **PDF Map** is available for those who are more comfortable with printed maps, and would like to see a simple handheld version for generic usage during the games.

In addition, SatNav is also offering its unique Locator Application, **SatTracx as a one month FREE subscription from 25th Sept to 25th Oct** for anyone who is participating in the games. SatTracx Locator is a service that will bring peace of mind to its users! It can be used to locate your loved ones, field force, and your lost mobile. SatTracx is providing One month FREE subscription from 25th Sept to 25th Oct for anyone who is participating in the games and gives us a valid proof of participation. SatTracx Locator can be of immense help for those who want to protect their smart phones, or track employees or their family who are visiting Delhi during the games. More details of its usage are on www.sattracx.com.

Commonwealth Games 2010 that is to be held in India. The event that involves the elite of the athletes and the best of the nations. The 2010 Games also presents an opportunity for India to showcase itself as a sporting and cultural nation and economic power. Some of the well known venues that would be used for the Games are Jawaharlal Nehru Stadium, Delhi Indira Gandhi Arena, Dhyan Chand National Stadium, Delhi University sports complex, Siri Fort Sports Complex, Thyagaraj Stadium, Talkatora Stadium, Yamuna Sports Complex, RK Khanna Tennis Complex, SPM Swimming Pool Complex.

Said **Amit Prasad, Founder and MD of SatNav Technologies**, “The Games are a good example of how users can save time and improve their efficiency just by better utilizing the information that is available in common domain today. 28 yrs ago during Asia games the lack of good quality maps would have posed challenges which are non-issues today. By making all three

of our CWG focused offering for FREE, our goal is to spread awareness on how these applications and current technologies can improve our day to day life.”
